Dear Konstantin Kudelko,

Thank you for submitting your credentials to provide advisory services to small and medium-sized enterprises through projects supported by the EBRD in Belarus.

Taking into consideration the expertise and experience of your organisation as presented in the application package, we are pleased to inform you that MigSoft LLC is pre-qualified to provide the following advisory services to beneficiary micro, small and medium sized enterprises through projects supported by the EBRD in Belarus:

- **Marketing**
- **Information Communication Technology**

Please note that pre-qualification does not constitute a quality mark. We will endeavour to make your services known to potential beneficiary enterprises; however pre-qualification does not guarantee that you will be engaged in a project.

In an effort to follow progress in the local consultancy market development, we will invite you to participate in our Annual Consultant Review and your participation would be appreciated.

Should you have any questions please do not hesitate to contact us.

Yours sincerely,

Olga Kuznetsova
